| <input type="checkbox"/> Wire(s) are at or near the top of the pole.  | <input type="checkbox"/> Wire(s) are several feet below the top of the pole. |

**RELEASE and WAIVER OF CLAIMS:** By signing and submitting this report you authorize Alger Delta and its agents and contractors to enter upon or otherwise gain access to your property and investigate what you have reported and take action regarding any other maintenance related issues that may exist at or near Alger Delta's facilities. Alger Delta and its agents and/or its contractors shall be the sole determiner of what actions are to be taken following an evaluation of the situation reported or discovered, and; by submitting this report you are authorizing Alger Delta and its agents and/or its contractors to perform such work. This is not a commitment to perform any work whether or not the work is determined to be necessary. By signing and submitting this report you represent that you have the authority to grant authorization. By signing and submitting this report you release Alger Delta and its agents and/or contractors from any and all liability whatsoever arising from any actions taken or not taken, performed or not performed. Alger Delta and its agents and/or its contractors shall not be responsible for the disposal of debris, chips, brush, wood, logs, timber or any other vegetation.
