KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.
(If you do not understand the label, find someone to explain it to you in detail.)

Precautionary Statements: CONTACT MAY CAUSE MODERATE EYE IRRITATION. Avoid contact with eyes, skin or clothing. In case of contact, flush eyes with plenty of water for at least 15 minutes and get prompt medical attention; take off contaminated clothing. Rinse skin thoroughly with soap and water.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 for an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

PEEL HERE TO OPEN 

ALLIGARE FORESTRY OIL is a an advanced oil-based adjuvant specially designed for use with products that require or recommend an oil adjuvant be used. **ALLIGARE FORESTRY OIL** helps the active ingredient penetrate through plant tissue to reach vital parts of the plant. The unique emulsification system of **ALLIGARE FORESTRY OIL** is specially designed to keep the oil/active mixture suspended in water during use and help spread the water layer out for faster, more even penetration of surface layers.

USE RATES

For Forestry, Ditchbank, Utility, R.O.W and other applications, use 1 to 4 pints of **ALLIGARE FORESTRY OIL** per 100 gallons of spray mix, and 2 to 4 pints per 100 gallons in all ground applications.

For Conifer Release: Use 3 oz. per 100 gallons for herbaceous, and 8 oz. per 100 gallons for woody conifers, when using 10 gallons per acre. Do not exceed 0.25% by spray volume for herbaceous conifer release, or 0.75% by spray volume for woody conifer release.

NOTE: Due to variations in water and other conditions, the optimum use rate may vary. Sufficient product should be added to allow an even deposit of the active chemical.

MIXING: Always follow herbicide label recommendations. If no recommendation is made, follow these directions: 1) Fill the tank 50% with water. 2) Start stirring. 3) Add all other tank mix partners including the active ingredient, per directions on the active label. 4) Add **ALLIGARE FORESTRY OIL** and agitate until thoroughly mixed.

HANDLING AND STORAGE: Store in original container in a cool, dry place. Keep container tightly closed. Do not introduce water into the product container. Product may thicken in extreme cold. If solids appear, raise temperature until solids redissolve.

DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.

DISPOSAL: Triple rinse container and add to tank mix. Do not contaminate soil or ground with rinsate or runoff. Dispose of container in accordance with all federal, state and local laws.

WARRANTY DISCLAIMER

Alligare, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. Alligare, LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use: It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Alligare, LLC or the seller. All such risks shall be assumed by buyer.

Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Alligare, LLC's election, one of the following: 1. Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used. Alligare, LLC shall not be liable for losses or damages resulting from handling or use of this product unless Alligare, LLC is promptly notified of such loss or damage in writing. In no case shall Alligare, LLC be liable for consequential or incidental damages or losses.

The terms of the "Warranty Disclaimer" above and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Alligare, LLC or the seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
